- Conference proceedings: Society for Philosophy and Psychology (2020); Academy of Legal Studies in Business National Proceedings (2013)
- Awards: AAAS Science and Human Rights Coalition Student Essay Competition (2017, 2018, 2019, 2021); Associazione Luca Coscioni (2015); Sociology of Law Undergraduate Prize (2012)

Academic Administration Experience*

* Limited to Bryant University

Special Assignments

- Provost's Office
 - Development of 3+3 BA/JD Programs with Law Schools (2021)
 - Sophomore International Experience Approval Committee (2017-present)
- Dean's Office – College Assessment Team (2021)

Academic Program Management

- Director of programs in Politics and Law (2007-2022)
 - Strategic Planning
 - Program/curriculum development, monitoring, and assessment
 - Program outreach and promotion
 - Faculty hiring
 - Student trips and competition organization

- Liaison with the University offices (alumni, advising, career center)
- Advisory board of Global Studies Program (2017-2022)
 - Strategic Planning
 - Program/curriculum development, monitoring, and assessment
 - Program outreach and promotion
 - Student trips and competition organization
 - Liaison with the University offices (alumni, advising, career center)

Committee Service

- Collective Bargaining Agreement Faculty Negotiating Committee (2017)
- IRB (2007-08; 2015-18, 2020-2022)
- Rank and Appointments (2022-2024)
- University's Diversity Council of Champions (2008-2012)
- University's Task Force on Internationalization/Diversity (2010-2011)
- College's Strategic Planning (2016-present)
- Department's Assessment Committee (2009-present)
- College's Committee on Development of Health Care Concentration (2010-2012)
- University's Committee on Intellectual Property and Online Education (2011-2012)
- University's Student Disciplinary Committee (2007-2012)
- University's Undergraduate Scholastic Standing Committee (2010-2013)
- University's Undergraduate Student Academic Grievance Committee (2013-2014)
- Department's Merit Pay Award (2010, 2012, 2014, 2016, 2018, 2020)

Policy consultancies

United Nations

Office of the High Commissioner for Human Rights

- Invited expert to the consultation on academic freedom and participation in scientific progress held by UN Special Rapporteur on the right to education (2023)
- Invited expert to the consultation on the right to participate in scientific progress held by UN Special Rapporteur on cultural rights (2023)
- Submitted policy brief on the right to science in the context of toxics to the office of the UN Special Rapporteur on the implications for human rights of the environmentally sound management and disposal of hazardous substances and wastes (<https://undocs.org/A/HRC/48/61>) (2021)
- Invited expert to the consultation on academic freedom held by UN Special Rapporteur on the freedom of opinion and expression (2020)

UN Committee on Economic, Social and Cultural Rights

- Invited discussant at the Day of General Discussion on the relationship between science and economic, social and cultural rights (2018)

World Health Organization

- Invited expert to contribute to the second meeting of the Advisory Committee on Human Genome Editing on the issue of human rights law and gene editing (2019)
- Legal Expert on human rights and drug resistance (Stop TB program) (2007)

UNESCO

- Invited expert to review findings and recommendations of a preliminary desk study (to be finalized and published in 2023) "Making the connections: The right to science, the Sustainable Development Goals and the COVID-19 pandemic" (2021)

OECD

- WHO Delegate to the Steering Meetings on Human Genetic Research Databases held in Tokyo (2004) and Paris (2005)

ABA-UNDP Legal Resource Center

- Legal expert for UNDP contributing to the report on Cambodia's Climate Change Legislation (2014)
- Legal expert for the UNDP/Fiji's extractive industries project contributing to Fiji's Draft Law on Extractive Industries (2013)

Governments

Government of Canada

- Program evaluation for Génome Canada ("Genomics and Public Health: Building 'Public Goods'") (2008-09)

Government of Italy

- Adviser to the Italian delegation in conjunction with the Special Session of the General Assembly (UNGASS 2016) on the world drug problem (2016)
- Elected Member of the Board of Advisors (Com.It.Es.) of the Italian Consulate in Boston (2015-2017)
- Appointed Member of the Educational Committee Board (2016-17)
- Program Development Expert for Mining for Gold, a program set up by the IReR - Istituto Regionale di Ricerca della Lombardia, policy think tank of the Lombardy Region (2010)

Other consultancies

College Board

- CLEP Business Law Committee Member (2024-2027)
- CLEP Business Law Web-Based Standard Setting Study (2016)

Geneva Science and Diplomacy Anticipation (GESDA) Foundation (Switzerland)

- Consultant on issues of science, technology and innovation (STI) policy, human rights, and anticipation (2022-2023)
- Speaker at the 2022 and 2023 Geneva Science and Diplomacy Anticipation Summit
- Participant in the Workshops on Science Self-Regulation
- Participant in the 2023 Inaugural High-level Anticipation Workshop on Neuro-Augmentation,

Inter-Parliamentary Union (EU)

- Content developer for a handbook on universal health coverage (2021)

Duy Tan University (Vietnam)

- Visiting Professor and Scientific Collaborative Expert (2017-2020)

Université de Montréal (Canada)

- Member of the Scientific Advisory Board, "Genomics and Public Health: Building 'Public Goods'" (program evaluation) (2006-09)

Nonprofit management experience

Consortium for Health Action: Legal advisor (2018-present). Organization incorporated in the US, operating in Southeast Asia, working in public health (malaria and then autism).

- Acted as general counsel handling a wide range of legal issues comparable to
- Obtained documents via Freedom of Information Act requests

Science for Democracy: Co-founder and advisor (2019-2023). Science policy and advocacy organization based in Brussels.

- Contributed to organizing and adopting bylaws
- Contributed to strategic vision
- Contributed to external relations

Dante Alighieri Society of Massachusetts, Chair of the Education Committee (2016-19). Boston-based organization which mission is to promote Italian language and culture.

- Supervising and assessed academic offering of the organization
- Advised the Board as to the current and future state of affairs of its academic programs

Associazione Luca Coscioni, Board member (2009-19). Science and patient advocacy group based in Rome.

- Participated in board meetings
- Advised organization on international strategic growth

European Centre for Science, Ethics and Law, Member of the Scientific Committee of the Network of Biolaw and Bioethics (2008-12).

- Provided scientific advice

Brocher Foundation, Scientific Consultant (2005-06)

- Contributed to external relations by developing first next of science policy networks

External funding

Course Hero Teaching Grant. Funded project: *Data Storytelling in the Liberal Arts* (2023) (USD 2,000)

Santander Faculty Research Collaboration Award (with the Universidad Autonoma de Madrid (UAM)). Funded project: *Genome Editing and Human Rights Law* (2017) (USD 18,000)

Union of Methodist and Waldensian Churches (Italy). Funded project: “Preparing ‘shadow reports’ on the right to science for submission to the United Nations” (2018) (USD 20,000)

Union of Methodist and Waldensian Churches (Italy). Funded project: *Research and Self-Determination Index. 2017 update* (2016) (USD 15,000)

Rhode Island Public Health Institute and the Connecticut-Rhode Island Public Health Training Center at Brown University. Funded project: *RIPHI Faculty-Student Summer 2012 Collaborative Project* (2012) (USD 5,000)

Geneva International Academic Network - Réseau Universitaire International de Genève. Funded project: *Human Genetic Databases: Towards a Global Ethical Framework* (2003) (CHF 285,000)

Workshop/Conference Organization

The Challenge of the Creation of a Global Regulatory Regime for Human Germline Genome Modification (March 13, 2020), Symposium of the International and Comparative Law Review of Loyola Law School (Los Angeles, CA, USA)

Advancing Knowledge-Led Development through the Right to Science in Africa (November 11, 2019), School of Law (Addis Ababa, Ethiopia)

The Right to Benefit from Science. Revisiting Human Germline Modification (June 7-8, 2018), UAM Law Faculty (Madrid, Spain)

The Right to Enjoy Scientific Progress and the Freedom Indispensable for Scientific Research (February 22, 2018) United Nations Headquarters (New York, NY, USA)

Global Biotechnology Governance: Ethical and Political Challenges (July 20, 2007) Bryant University (Smithfield, RI, USA)

Legal profession experience

Law Offices of Andrea Boggio.

- Part-time solo legal practice focusing on business law, civil litigation, and family law

- Litigation record includes NML Capital, Ltd. v. Republic of Argentina, 144 F. Supp. 3d 513, 2015 US Dist. LEXIS 147704, Aurelius Capital Master, Ltd. v. Republic of Argentina, 644 Fed. Appx. 98, 2016 US App. LEXIS 6820 (2007-2017)
- Marco Cappato vs. Italy, communication pending in front of the Human Rights Committee in Geneva for alleged violations by the Italian Republic of Articles 25(a) and (b) of the International Covenant on International Covenant on Civil and Political Rights (ICCPR) (pending)

Bar Memberships

- Member of the New York bar
- Admitted to practice in front of the SDNY, EDNY, 2nd and 3rd Circuits
- Member of the Italian bar (inactive)

Full time legal employment

- Dickstein Shapiro, Associate attorney in the Complex Dispute Resolution Group (Washington, DC, USA) (2002-2003)
